WAIVER

"All utility connections are made at the customer's request and for his/her convenience. The user of said utilities agrees to hold harmless the AmericanBank CENTER / SMG, its officers, agents and employees (Indemnities), from against all claims, demands, causes of action, costs and liabilities, in law or in equity, of every kind and nature whatsoever, on account of death, personal injuries, property loss or damage, directly or indirectly, resulting from or caused by the use of the utilities, regardless of whether such injuries, death or damages are caused, or are claimed to be caused, in whole or in part by the negligence or fault of Indemnities."

Signature

GENERAL CONDITIONS

Wall outlets and post outlets are not a part of booth space. Separate outlets must be ordered for each booth to be connected. All material and equipment furnished remains the property of the AmericanBank CENTER or its assigned agent. All electrical connections and disconnects must be made by the AmericanBank CENTER. Rates include bringing circuits to the rear of the exhibit booth only. Should it be necessary to run lines into the booth, hook-up motors or panels, install special illumination devices, and for the removal of same at the conclusion of the show, a labor order must be placed at the Service Desk. Such work will be charged on a time and material basis. The AmericanBank CENTER Maintenance Superintendent is obligated to refuse connections when wiring is not in accordance with the City Electrical Ordinance or National Electrical Code. Workmen are not permitted to take orders for service or outlets. No adjustments will be made unless reported at the Service Desk prior to the close of the show. The Exhibitor must confirm this order with the Service Desk upon arrival at the show and arrange for hook-up service at that time.

24-Hour Service

Exhibitors requiring 24-hour service, a clean or dedicated line, will be charged the regular rate plus 50%. Special notice of this requirement must be given at the Service Desk.
